WELCOME TO BADMINTON (ICSM)

Welcome to the one of the friendliest and most exciting clubs at ICSM! We welcome people of all subjects (not just medics) and have a wide mix of ages and abilities. Whether you want to play in one of our four highly competitive teams or just want some casual exercise and fun socials with your friends, there's something for everyone — it's the best of both worlds!

For team members, we host training twice a week and weekly games run by our fabulous team captains! Our social players enjoy the incredible atmosphere in our regular friendly sessions, and you won't believe how much you'll improve throughout the year.

We are always looking for new players, so make sure you come to our give-it-a-go sessions at the start of term and show up at our team trials!

Badminton aside, the club also hosts many social events. Enjoy lively sports nights, bowling, our international tour (where could we be this year?), NAMs tournament and dinners throughout the year.

For loads of fun on and off court come join us today! Come along to our weekly social sessions, check out our stall at fresher's fair or visit our Instagram: @icsmbadminton

Feel free to contact our President (Zach) at zzc22@ic.ac.uk!

ARE YOU INTERESTED IN JOINING BADMINTON (ICSM)?
